2012 WYOMING ELK AREAS

ATTENTION: HUNTER RESPONSIBILITY WHEN BOOKING AN OUTFITTER OR PROFESSIONAL GUIDE. No person shall directly or indirectly compensate a person holding himself out as engaging in the business of, or acting in the capacity of, an outfitter or a professional guide unless that person provides proof that he is a licensed outfitter or professional guide as required by this act. Any person violating this statute is guilty of a misdemeanor. Before hiring an outfitter, the Wyoming Game and Fish Department advises hunters to consult the Wyoming State Board of Outfitters and Professional Guides to verify the outfitter is licensed by the State of Wyoming. Hunters should also be aware landowners who outfit on their own deeded land, or deeded lands leased to them, are not required to be licensed as outfitters or guides. Contact: Wyoming State Board of Outfitters at 1950 Bluegrass Circle #280, Cheyenne, Wyoming, 82002 or call toll-free 1-800-264-

PRECAUTIONS WHEN HUNTING IN AREAS OCCUPIED BY GRIZZLY BEARS. Hunters and anglers are reminded that many areas in and around the Bridger-Teton, Shoshone, and Caribou-Targhee National Forests in northwest Wyoming are occupied by grizzly bears. The Wyoming Game and Fish Department strongly recommends individuals working and recreating in these areas take precautions, including carrying bear pepper spray, to avoid conflicts with grizzly bears. Information about human safety in occupied grizzly habitat and proper storage of food and other attractants is available from Regional Offices and Cheyenne Headquarters, U.S. Forest Service Offices, and the Department's website at http://wgfd. wyo.gov. Regulations concerning human activities in occupied grizzly habitat and food/carcass storage can be obtained from the Forest Service. Report conflicts with grizzly bears to the nearest Regional Office.

No person shall use any aircraft to aid in the taking of any Wyoming wildlife, except predatory animals, whether by spotting or locating the wildlife, communicating with any person attempting to take the wildlife, or by providing other aid to any person taking the wildlife within twenty-four (24) hours of being airborne. This shall not apply to commercial, commuter or other aircraft used for the sole purpose of passenger transport.

HUNTER SAFETY/MENTOR PROGRAM. Except as otherwise provided, no person born on or after January 1, 1966, may take any wildlife by the use of firearms on land other than that of his own family, unless that person can demonstrate they have obtained a certificate of competency and safety in the use of handling firearms. Attendance and successful completion of a hunter safety course offered by an association or governmental agency approved by the Commission satisfies the requirements of this section. A person who has not received a certificate of competency and safety in the use of handling firearms may apply to the Department for a special authorization to take wildlife with the use of a firearm while being accompanied by a person who is at least 18 years old, acting as a mentor, who possesses or can demonstrate he has successfully completed a hunter safety course and who possesses a valid Wyoming hunting license.
